

## Pack 90 - Pocono Pines, PA

**Minsi Trails Council, BSA**

Family Camping Trip

May 4th to 6th

### Who?

This camping trip is open to all families in Pack 90. Boys should attend with a parent/guardian unless other arrangements are made. Families who are unable to stay overnight can come during the day. This weekend is a clean up and set up weekend for the camp, so about 150 families will be attending.

### What?

We will be camping for the weekend. Plan to arrive between 6 and 7 pm on Friday and stay until about 10:00 am on Sunday. Let us know if you are coming late or leaving early. Boys will have the ability to work on outdoors requirements, like campfire safety and hiking.

### Where?

We will be staying in tents in Lenape campsite at Akelaland, Trexler Scout Reservation. These are canvas tents with cots and wooden floors. Each tent can hold two people. Boys can stay with boys or a parent/family member. We can use 10 total tents, so the first 20 people have tent space.
