

Pack 90 - Pocono Pines, PA

Minsi Trails Council, BSA

Beaver Weekend

May 3rd to 5th

Who?

This camping trip is open to all families in Pack 90. Scouts should attend with a parent/guardian unless other arrangements are made. Families who are unable to stay overnight can come during the day. This weekend is a clean up and set up weekend for the camp, so other packs will be camping nearby.

What?

We will be camping for the weekend. This weekend is free in exchange for helping set up the camp on Saturday morning. Plan to arrive between 6 and 7 pm on Friday and stay until about 10:00 am on Sunday. Let us know if you are coming late or leaving early. Scouts will have the ability to work on outdoors requirements, like campfire safety and hiking.

Where?

We will be staying in tents in Lenape campsite at Akelaland, Trexler Scout Reservation. These are canvas tents with cots and wooden floors. Each tent can hold two people. Scouts can stay with a Scout the same gender and close in age or a parent/family member. We can use 10 total tents, so the first 20 people have tent space.
